

ACADEMIC AUDIT REPORT

2017-18

1. Name of Department: Chemistry

2. No. of full time permanent faculty: 1

3. No. of part time /temporary/ contractual faculty: 4

4. Courses offered:
1. B Sc. Chemistry
 2. Complementary course for B.Sc. Physics and B.Sc. Zoology
 3. Open Course in Environmental Studies for UG students
 4. Certificate course on Water Quality Assessment

5. Pass percentage of previous graduating batch: 71.04% (10/14)

6. No .of students qualified SET: 1

7. No. of students qualified JAM : 1

Project Works:

1. Analysis of soil and determination of soil pH
2. Study on quality analysis of drinking water in different places of Wayanad
3. Detection of adulterants in some common food stuff
4. Study of presence of Pesticides in different samples of fruits and Vegetables

8. Strengths:

- Dedicated and qualified faculty members
- Board of studies Member from our Department
- Good academic record
- Students with great potential
- Classrooms equipped with smart board
- Students are encouraged to take ICT enabled seminars
- Time bounded internal examination and evaluation
- Regular PTA meeting and provide timely feedback to parents
- Well equipped and solar power supported laboratory
- Separate room for passing H₂S gas (Kipp's apparatus)
- Separate Cabin for all students in laboratory
- Maintaining records of PTA, Achievements, Departmental meeting etc
- Setting Question papers for Core Course in Chemistry -Kerala University
- Teachers give feedback to students for their improvement
- Ensure full support for students in participating in Co-Curricular, sports, NCC and NSS activities
- Regular conductance of entry level exams and remedial coaching for weak students
- Encourage peer learning

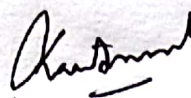

9. Weakness

- Under Graduate degree is self-financing.
- No PG course
- No Ph.D programme
- No green/eco-friendly measures for chemical waste management
- No proper opportunities for campus recruitment

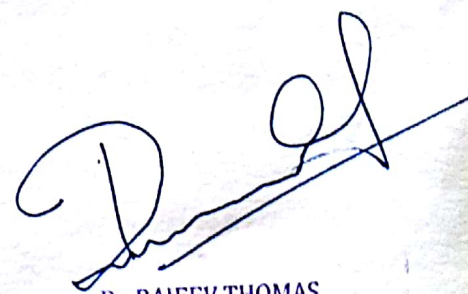

Principal

Mary Matha Arts & Science College
P. O. Vemom, Mananthavady 670645

Dr. Maria Martin Joseph
IQAC Coordinator

Dr. RAJEEV THOMAS
Associate Professor
Head, Dept. of Chemistry
