About the course

The Department of English has been conducting a Certificate Course in Communicative English with UGC assistance since 2009. The course attempts to develop in the students the skills of communication -- spoken and written -- that are necessary for individuals to grow and cope with the needs of the competitive world. The Certificate Course is designed in such a way that the basic structures of English language are introduced through communicative method which involves lecturing, audio-visual presentation, conversation practice and test.

This year we plan to start the Certificate Course of twenty five hours duration in the second week of September and end before Christmas vacation. The candidates can fill in the application form, get it signed by parent and submit to Mr. George Thomas, the Co-ordinator. The parents are requested to see to that their ward attend all twenty five classes without fail. Once joined, the students will not be permitted to discontinue the course. Rs.100 is the course fee.
